NDEYE ASTOU KÉBÉ

Web Developer | Digital Communication | Data and AI | Big Data Student

Dakar, Senegal | +221 77 760 27 19 | ndeyeastoukebe21@gmail.com | portfolio-ndeye-astou-kebe.netlify.app

PROFESSIONAL SUMMARY

Web developer specialized in digital communication, data and artificial intelligence, and Bachelor's student in Big Data at the Dakar Institute of Technology. I build websites (HTML, CSS, JavaScript, Node.js back-end, WordPress), I am developing SaaS products, I automate tasks with AI and I produce digital content: community management, posters, videos, motion design and editing. I use Power BI to visualize data. Creative, self-driven and comfortable in a team, I am open to internship and collaboration opportunities.

KEY SKILLS

Web development : HTML5, CSS3, JavaScript, Node.js (back-end), responsive design, on-page SEO, Git, GitHub, SaaS in development

CMS and automation : WordPress, WooCommerce, themes, plugins; task automation with AI
